### Kia ora te whanau

Nau mai, haere mai ki te tau hau!

A warm welcome to the new school year.

It's been wonderful welcoming our cheerful, enthusiastic children back to their Khandallah School whanau this week. They look well rested and have settled very quickly into their 2018 learning hub.

We're very much enjoying seeing many of you visiting and talking with home group teachers as this really helps develop strong relationships and partnerships essential for learning success. We hope you can join us for a Family Engagement Evening planned for Tuesday 20<sup>th</sup> February. Details below.

Yesterday, we held our first assembly for the year and welcomed 16 new children and staff. A formal welcome for all new children and their families will take place later this term – invitations to come.

The theme of our assembly was gratitude which coincides with this term's integrated inquiry – "Gratitude: We show we are thankful, kind and appreciative". We have a lot to be grateful for:-

**Our People** – wonderful children eager to learn, fabulously supportive community and dedicated staff committed to your child's well-being and learning progress.

**Our Place** – Khandallah School nestled on the slopes of Mt Kaukau celebrating 125 years educating children this year, our renovated Kowhai Block (do pop in for a look) and fabulous progress being made on the new building to replace the 3-storey block. Children are welcome at school from 8:30am each morning. YMCA operates for children at school before this time.

**Our Environment** – and our connection with nature all around us and the Khandallah Park reserve. Do check out the amazing crop of Monarch caterpillars, chrysalises and butterflies alongside Matai. We appreciate your help to take care of our environment by minimising gladwrap and packets in children's lunchboxes to reduce waste.

## Team 2018

We are delighted to introduce our teaching, learning and support team. We've enjoyed working together to prepare well for an exciting year and look forward to collaborating, sharing our strengths and talents, as we nurture and inspire learning for all our children (future stars).

## Week 2 – Holidays

Please remember that there will be **no school next Monday 5<sup>th</sup> and Tuesday 6<sup>th</sup>**. Monday has been designated a holiday by the Board of Trustees leading into Waitangi Day on Tuesday. YMCA will operate for the day. We will be open an extra day at the end of the year to ensure we meet the required 384 half days of instruction.

## Family Engagement Evening – 20 February

We warmly invite all children and their parents to attend our Engagement Evening on Tuesday, 20 February. The purpose of the evening is two-fold. Firstly, parents will have an opportunity to hear the “big picture” for the year from school leadership – how we operate and why we do things the way we do. Secondly, parents will join children and teachers in their learning to meet the hub teachers and experience the learning environment from the child’s perspective.

We’re delighted our amazing Home & School will start the evening off by offering a family dinner option to assist parents, enable families to socialise and raise funds for the school.

Plan for the evening...

5:00pm	Family dinner (provided by the Home & School)
6:00pm	Parents gather in the hall for information sharing – school and syndicate Children will join teachers in their learning hubs
6:45pm	Parents join children in learning hub
7:30pm	Time for home

## Start of Year

The start of the year provides a fabulous opportunity for children to extend their network of friends, try new things and develop new skills. Please encourage them to get involved in the many opportunities that will be offered to them.

The start of the school year also provides an opportunity for families to become involved in our school community and support us to make Khandallah School a great place for all our children to learn and grow. Please join us! Why not pop along to the Home and School meeting on Monday 12<sup>th</sup> February in the staff room? We'd love to see you there.

## Board of Trustees

Our first board meeting of the year is next Wednesday, 7<sup>th</sup> February at 7:00pm in the staffroom. Parent representatives **Angela Ogier** and **Rick Teal** elected at the end of 2017 join existing members **Shaun Twaddle**, **Anthony Taylor** and **Sarah Lewis** (also parent reps), **Beccy Haley** (staff rep) and **Louise Green** (principal). Agenda includes:- 2018 Charter, Annual Plan and reports from Chair, Principal, Finance and Property Committees.

## GYMSPORTS & CHEERLEADING

BIGAIR GYMSPORTS TAWA

If you have a child who loves doing handstands, cartwheels, walkovers, flips, or cheerleading, then they will love Bigair Gym! At Bigair Gymsports, kids love **Gymnastics, Trampolining, Tumbling, Parkour, and Cheerleading!** We have classes to support children of all levels and interests. As children learn new gym skills they will increase their flexibility, balance, coordination, strength, and fitness. The benefit for our children is that they learn extensive personal skills from Gym, which includes; increased self-confidence, self-reflection, listening skills, persistence, self-pride, and so much more! It is highly recommended that children start gymnastics from 3yrs, as it provides excellent preparation for starting school. Once children are at school, gym is beneficial as it replicates the fundamental learning processes which supports children’s learning at school, so the advantages and rewards are substantial. Did you know that Bigair Gym also offer Birthday Parties? To find out more, please call our Bigair Gym Tawa on 2323508 or email [office@bigairgym.co.nz](mailto:office@bigairgym.co.nz)
