

From the Principal's Pen

Kia ora te whanau

We have thoroughly enjoyed welcoming our children to their Khandallah School family this week. They have settled quickly into their 2017 learning spaces and are already focused on creating a safe, inclusive and collaborative learning environment. It has been great to see so many of you visiting classrooms and talking with teachers as this really helps us develop strong relationships and establish partnerships essential for learning success.

On Tuesday, we held our first whole school assembly for the year and introduced 37 new children and 2 returning teachers. As I have returned after two years' leave, I reintroduced myself and following my mihimihi was joined by teachers and support staff for waiata.

It was lovely to see the children's reaction as we sang for them.

A formal welcome for all new children and their families will take place later this term.

Our Team

I am delighted to introduce our teaching, learning and support team to you all. We've enjoyed working together to prepare well for the year ahead and look forward to collaborating, sharing our strengths and talents, as we nurture and inspire learning for all our children.

Resignation

With regret, I advise that Zoë Horne has resigned from Khandallah School. We thank Zoë for her eight years of service to our school. During this time she has taught in all syndicates, maintaining a keen focus on children's learning progress. Her expertise in the teaching of mathematics is well regarded by colleagues. Zoë has also provided exceptional opportunities for children to pursue their passions in sport. We wish her every success for the future.

Start of Year

The start of the year provides a great opportunity for children to extend their network of friends, try new things and develop new skills. Please encourage them to get involved in the many opportunities that will be offered to them.

The start of the school year also provides a great opportunity for families to become involved in our school community and support us to make Khandallah School a great place for all our children to learn and grow. Please join us.

Why not pop along to the Home and School meeting on Monday night in the staff room? We'd love to see you there.

Nga mihi mahana
