Powhiri – for new children, staff and families

Each year we hold two formal celebrations (Powhiri) to welcome new children, staff and families to our school. The first was in March and the second is confirmed for Wednesday, 6 September, with formalities starting at 10am. Families of children new to the school will receive an invitation with further details within the next few days.

FUNdraiser

Meet Ethel and Bethel – the fabulous duo from Christchurch who entertained us with loads of laughs on

Friday night!

Many, many thanks to our wonderful Home & School and many helpers, working together like a well-oiled machine to bring us a fun-filled bingo evening with a difference. What a novel and

refreshing idea for a social fundraiser! Our thanks also to everyone who came along in support or bought raffle tickets. Your generosity means all our

children are winners as we develop resources to support their learning and wellbeing.

Fathers' Day Breakfast

This ever-popular annual event is planned for next Friday morning. We are looking forward to seeing many of our children attend with their dad, grandad or significant other and partake in a

delicious breakfast menu catered by Home & School and friends.

Playground

The new carousel in the Junior Playground is proving to be very popular. There are "rules" for its use during the school day to ensure children's safety. Our children know these rules and are monitored by the duty teacher during break times.

Only children in Kowhai and Matai use the playground and children must be seated when having their turn on the carousel. "Riding" on the outside or running around the carousel is not allowed for safety reasons.

The playground gets good use after school and we ask that parents supervise children using the equipment and follow these safety guidelines. Thank you.

Farewell

With regret we have accepted the resignation of **Andrea Mason**, one of our amazing Learning Support Team members. We wish Andrea every success as she moves to Auckland to embark on new adventures. She has been a highly valued member of our team since 2008. During this time she has supported many of our children. Thank you Andrea. Arohanui

Kaukau Building Project

Here we are, already half way through Term 3! There's great progress being made on the new turning circle / staff car park area as you can see by the photos taken at weekly intervals.

We do appreciate the extra co-operation, care and courtesy shown by our school community as we manage while the new turning circle for

drop off and pick up is being created. Generally, people are following the guidelines in place to help us keep our children safe as they travel to

and from school. For this we are very grateful – thank you. We especially thank our neighbours for their ongoing patience coping with

increased traffic in Woodmancote Road and restricted access around the construction zone in Clark Street.
