

Event Update....

Not long now to the big day! When I walk through the school there have been lots of children coming and chatting to me about it. It is lovely to see them so engaged.

This is a two-tier event with the Kids' Kaukau Challenge up first, followed by the celebrations afterwards on the school grounds. There will be yummy food and fun for the whole family to enjoy, raffles, silent auctions, and a prize giving with lots of spot prizes.

Now we need you involved too....

As parents & whanau of the school community, we need your support in the lead up to, and on the day to make everything run smoothly.

Helper Roster

Thank you to those who have already signed themselves up, and a huge shout out to those who signed up for more than one slot – this is awesome! There are still lots of spaces to fill so please jump online and get your name down... don't be shy, go crazy. Heck you could do it now, here is the link <https://www.schoolinterviews.co.nz/> Password: hgpun

We do appreciate that it is sometimes difficult to be available due to multiple commitments. The good news is we do openly welcome extended family and friends too! Maybe there is an Aunt, Uncle, Grandparent or you may have an older child who can help out on the day... we aren't fussy, we just need helping hands! The roster is due to close this Friday, 27th October. Please take a look and see what is still available. Thank you.

Class Contributions

By now you should have received an email from your class rep detailing the food item and baking which has been allocated to your class. There is a basket in each classroom to pop your contributions into (Baking to be delivered the weekend of the event). Everyone has been asked to bring in any soft toys which need re-homing.

**On behalf of the Home & School Committee. Thank you for all your support to date and we look forward to a great day!
Toni Shanks (Kids' Kaukau Challenge Event Co-ordinator)**

Registration

Just a reminder that registrations are limited. If you haven't registered your child(ren) yet please do so. Registrations close on Sunday 5th November or sooner if we reach our maximum number. [Click here to register now.](#)

Get in training

Have you had a chance to walk the route?

We are extending our training photo competition until right up to the event now. You can post your pics on our [Facebook page](#) to go in the draw for a 'How awesome are you prize'. Psst... our Hashtag is #kidskaukauchallenge

Sponsorship Run

How are those sponsorships coming along? Fear not, there is still plenty of time to begin gathering sponsorship for this event. You can download the sponsorship form [here](#).

There will be a wee reward for the student who has gathered the most sponsorship.

Working Bee while your children boogie at the disco!

If you are at a loose end on Friday night during the discos please pop into Rooms 7 & 8 and help us fill up the goodie bags and get a sneak peek at what has been generously offered at the same time. There will be someone there from 5.30 to 8.30pm. Hope to see you there!
