

From the Principal's Pen

Kia ora te whanau

A very warm welcome back to Term 3. We hope you've all enjoyed some memorable moments with your children over the school holiday break. A special welcome to all new children and their families joining our school whanau this week and to **Clare Hubsher** joining our Learning Support Team. We'll be in touch when it's time for our next pōwhiri to formally welcome you all to our school.

It's great to see **Renata Balfour** return to Room 11 supported by a supernumerary teacher while she transitions back to full classroom responsibilities. We're delighted also that **Julie Lear** is continuing in our school supporting the Junior School as release teacher.

Property work carried out over the holidays:

Some lovely fine days helped the many tradespeople on site over the holidays to make good progress. We've undertaken

- Interior painting of Rooms 7, 8, 9 and 10,
- Trenching around the school for fire/security cabling
- Fire and security system upgrade across the school
- Remarkable progress on the new building and surrounds
- Preparation works for special needs access to the library and hall.

Special Needs Access:

We are delighted that the Ministry of Education has approved funding to allow for ramping and wheelchair access to the hall and library from the south side of the school. This work will be completed by Naylor Love as an extension of the significant Kaukau Project currently underway.

Exciting Term Ahead

We have a very exciting term of learning ahead as we prepare to celebrate "**Khandallah School's Story – the past, present and future**". All children will be involved and each syndicate will share with you the focus of their integrated inquiry. What's clear is that there'll be lots of creativity and self-expression as we prepare to share our talents with our parents and wider community at our 125th celebrations on Saturday, 20th October from 1pm-4pm.

Action: Save the date! Saturday 20th October 2018

3-way Learning Conferences will be held this term for children in their 1st, 2nd and 3rd year of school celebrating milestones and all children in Years 4, 5 and 6. Y4-6 conferences will take place on 21 / 22 August.

All Kowhai children will participate in MoveMprove while Matai and Kauri children have their syndicate swimming sports to look forward to. Matai children are also visiting ASB Arena to participate in gymnastic and futsal lessons over the first 6 weeks of term. St Brigid's Kapahaka Festival and Artsplash also feature on this term's calendar.

Lunchtime Activities

During the week there are many activities our children can enjoy besides playing outside with their friends. There's the library, Garden Gang, Choir, Pokemon Club and a Dance Group. This term we've extended the activities on offer as we manage with reduced court and field space due to construction work and weather. If they wish, Matai and Kauri children will be able to opt into one of a number of other activities offered by parents, Easyswim and teachers during lunchtime on Tuesday, Wednesday and Thursday.

Teacher Learning

Teachers are ongoing learners focused on working together to nurture and inspire the learning of students. Besides working on personal goals as part of the appraisal process, we meet each week after school to develop our skills and expertise across a number of areas so that we are continually reflecting on, and improving, our practice. This term we will continue our work on collaboration to meet the needs of our children as well as develop our understanding of, and confidence in, using the new Digital Technology Curriculum. All teachers are working towards achieving their Digital Passport.

Congratulations to **Beccy Haley** who has recently completed her Hapara Certified Educator course

Working Bee – can you help?

Many thanks to families who've offered their time on Sunday 19 August to help with planting out 100 plants along the entrance to the car-park / drop off zone. We'll be working under the guidance of **Matt Robinson**, from Wellington City Council Parks and Reserves, who will provide the health & safety information, gloves, plants and the mulch!

Action:

Email reception@khandallah.school.nz to register your interest in helping with the planting!

Children's safety – School Gates:

Please keep school gates closed at all times children are on-site between 7:30am and 6:00pm. DO NOT hook or block gates open. The fences and gates are important for the safety of some of our vulnerable children.

Children's safety – Travelling to and from school:

We strongly encourage children to walk or wheel to school to/from home or a point well away from school entry points to promote health and wellbeing as well as relieve traffic congestion. For those who choose to drive, please ...

- Drive cautiously as children's behaviour can be very unpredictable
- Do not turn into driveways on Woodmancote Road, Clark Street and Simla Crescent where pedestrian traffic is heavy before and after school
- Do not park over driveways as this inconveniences our patient neighbours
- Show gratitude to our parent and student volunteers keeping our children safe on the crossings
- Follow the simple drop off / pick up zone rules
 1. Children must be able to *independently* get in and out of the vehicle via the *footpath side* only
 2. The driver must *stay in the car* and *move on* if children are not waiting at the end of the day, *turning LEFT* only.
 3. *Do not park* along the pathway or in the staff car parking areas. Thank you.
